

HELP GROW GOLF IN VIRGINIA

The State Open dates back to 1924 and is the biggest tournament of its kind in Virginia. Conducted by the Virginia State Golf Association (VSGA) and the Middle Atlantic Section of the PGA of America (MAPGA), the 54-hole championship offers 144 competitors, comprised of amateurs and professionals, the opportunity to join a prestigious list of winners including Sam Snead, Tom Strange, Vinny Giles, and Lanny and Bobby Wadkins.

Since 2014, the championship has been held at the award-winning Ballyhack Golf Club in Roanoke. Ballyhack provides a scenic yet challenging test. Your support will help provide an opportunity for Virginia's best golfers to compete at a high level while working toward even more ambitious accomplishments. As a sponsor, you'll also have the opportunity to play this destination golf course.

In addition to supporting Virginia's golf heritage and accessing the world-class entertainment offered by Ballyhack, sponsors are helping support youth development while protecting the future of golf through charitable support of The First Tee of Roanoke Valley — the official charity of the Delta Dental State Open of Virginia. Founded in 2005, The First Tee of Roanoke Valley serves thousands of children each year. In 2017 alone, more than 7,500 benefited from its programs. Over the past four years, the Delta Dental State Open of Virginia has donated more than \$65,000 to The First Tee of Roanoke Valley!
